

Registration of a Generating Plant and payment of Electricity Duty under Bengal Electricity Duty Act, 1935

Every person, other than a licensee or the State Govt., who has installed or will install a generating plant for generation of energy for his own consumption, shall, for the purpose of registration of such plant make an application in Form –G to the Director, Dte. Of Electricity Duty, who is the Registering Authority. The Registering Authority may make such enquiry as he considers necessary and grant the applicant a certificate of registration for such plant in Form-H-1. The Registration number shall be quoted in the register maintained in Form-C and also in the monthly return in Form-D for Electricity Duty paid.

Non-applicability:

Not applicable for energy generated by a plant having a capacity not exceeding two and a half kilowatts.
