

**FORM - 11**

Prescribed under Rule 62(9)(b)

**REPORT OF EXAMINATION OR TEST OF PRESSURE VESSELS OR PLANT**

1. Name of occupier (or factory) :
2. Situation and address of factory :
3. Name, description and distinctive number of pressure vessel or plant :
4. Name and address of manufacturer and reference to their test certificate or certificate of competent person :
5. Nature of process in which pressure vessel or plant is used :
6. Particulars of pressure vessel or plant :-
  - (a) Date of construction :
  - (b) Thickness of walls :
  - (c) Date on which the pressure vessel or plant was first taken into use :
  - (d) Maximum permissible working pressure recommended by the manufacturer :
  - (e) Design pressure, if known :
  - (f) Brief history of pressure vessel or plant was taken into use :

7. Date of last hydrostatic test (if any) and pressure applied :
8. Is the pressure vessel or plant in open, or otherwise exposed to weather or to damp? :
9. What parts (if any) were inaccessible :
10. What examination and test were made ?  
(Specify pressure if hydrostatic test carried out ) :
11. Condition of pressure vessel or plant }  
(State any defects materially affecting } External :  
the maximum permissible working }  
pressure or the safe working of the } Internal :  
pressure vessel or plant. }
12. Are the required fittings and appliances provided  
in accordance with the rules :
13. (a) Are all fittings and appliances properly maintained  
and in good condition? :  
(b) Have the pressure settings been checked and  
corrected ? :
14. (a) Repairs (if any) required :  
(b) Period within which the repairs should be executed :  
(c) Any other condition which the person making the  
examination thinks it necessary for securing for  
working :
15. Maximum permissible working pressure, calculated :

from dimensions and from the thickness and other data by the present examination, due allowance being made for conditions of working if unusual or exceptionally severe. (State minimum thickness of walls measured during the examination)

16. Where repairs affecting the maximum pressure are required, state the working pressure –
- (a) before the expiration of the period specified in item 14. :
  - (b) after the expiration of such period if the required repairs have not been completed :
  - (c) after the completion of the required repairs :
17. Other observations :

I certify that on (date).....the pressure vessel or plant described above was thoroughly cleaned and (so far as its construction permits) made accessible for thorough examination and for such tests as were necessary for thorough examination and that on the said date, I thoroughly examined this pressure vessel or plant, including its fittings, and that the above is a true report of my examination.
